Education

- 2023 – Present 📌 **Electrical and Electronics Engineering, Izmir Democracy University**
Bachelor's Degree, 3rd Year, GPA: 3.06/4.00
- 2022 – 2023 📌 English Preparatory Program, Izmir Democracy University *Completion Grade: 72/100*
- 2018 – 2022 📌 High School, 15 Temmuz Anadolu Imam Hatip *Graduation Grade: 89.97/100*

Skills

Languages	📌 Native Turkish; English (B2)
Programming	📌 Python ^{Advanced} ██████████, C++, Matlab, MySQL
Data & Analysis	📌 Jupyter Notebook (Python); data preprocessing and visualization
Design & CAD	📌 SolidWorks, Cura, Altium Designer, Proteus, Canva, DaVinci Resolve
Embedded Systems & Hardware	📌 Arduino, STM32, Raspberry Pi, Jetson Nano, ESP32; PCB through-hole assembly, soldering, Li-Po battery packaging and nickel spot welding
Computer Vision	📌 Real-time object detection and tracking using YOLO-based models
Tools & Project Management	📌 Anaconda Prompt, PyCharm, GitHub, Trello, Microsoft Office; project planning and team coordination

Projects and Activities

Team Activities

- Jan 2026 – Present 📌 **Teknofest Autonomous Ground Vehicle (AGV) Competition**
Role: Software systems
- Feb 2025 – Jul 2025 📌 **Teknofest International UAV Competition,**
Report Evaluation Score: 79.67
- Feb 2024 – Apr 2024 📌 **Teknofest International UAV Competition**
- Apr 2024 📌 **FinTech Ideathon, MÜSİAD,** Our team ranked **1st** among 11 teams

Projects

- Jan 2026 – Present 📌 **Industrial Robotic Arm**
- Dec 2025 – Jan 2026 📌 **AI-Based Multi-Class Disease Detection from Lung X-Ray Images**
Supervisor: Asst.Prof.Başak Esin Köktürk Güzel
- Oct 2025 – Dec 2025 📌 **Glass Fiber Reinforced Wind Turbine**
Supervisor: Suphi Yertum (3D and Mold Design Instructor)
- Sep 2025 – Jan 2026 📌 **STM32 Discovery Board Design**
Supervisor: Udemy Course - Erdem Kargın

Projects and Activities (continued)

- May 2025 – Jun 2025  **Real-Time LCD Control Using Finger Gesture Recognition**
Supervisor: Dr.Çağlar Cengizler
- Apr 2025 – May 2025  **Smart Greenhouse: Feedback-Controlled Humidity Monitoring System**
Supervisors: Prof.Dr.Uğur Çavdar, Prof.Dr.Kemal Avcı
- Dec 2024  **Data Analysis and Data Mining Project**
Supervisor: Prof.Dr.Selami Beyhan
- !  **Project documentation is available via the Google Drive link located at the top-left corner of the CV**

Experience

Club Experience

- Sep 2025 – Present  **CIGRE Izmir Democracy University**
Board Member / Event and Technical Visit Organizer
- Oct 2024 – Sep 2025  **CIGRE Izmir Democracy University**
Board Member / Head of Design Committee
- Oct 2022 – May 2024  **Google DSC Izmir Democracy University**, Board Member

Internships

- Aug 2024 – Sep 2024  **IMDS, Karaköy, Istanbul**, Volunteer Intern
- Jul 2024 – Aug 2024  **Ümit Maker, Bağcılar, Istanbul**, Volunteer Intern

Certifications

Courses

- Feb 2026  **Systems Engineering**
- Jan 2026  **Digital System Design with Verilog**
- Dec 2025  **Composite Product Manufacturing**
- Nov 2025  **3D Printer Operation**
- Aug 2025 – Jan 2026  **Machine Learning with Python**
- Jul 2025 – Jan 2026  **STM32 Board Design and Prototyping with Altium Designer**
- Mar 2024  **Sheet Metal Part and Die Design**
- Jan 2024  **Computer-Aided 3D Design**
- Oct 2023 – Nov 2023  **Artificial Intelligence Training**
